PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

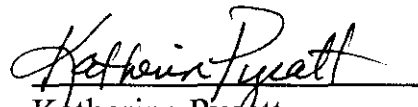

Petitioner respectfully submits that the public interest would be served by allocating Channel 241A to Eldorado, Texas, as that community's first commercial FM service. Eldorado is an incorporated city and the county seat of Schleicher county with a population of 2,071 people according to the 1995 Texas Almanac Survey of local officials. Eldorado has its own mayor, John Nikolauk, its own school system, its own post office, its own fire department, its own city hall and a number of local churches.

Should this petition be granted, and Channel 241A be allotted to Eldorado, Texas Petitioner will apply for Channel 241A, and after it is authorized, will promptly construct the new facility.

The information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
